

## Invitation to the Responsible Jewellery Council (RJC) Industry Briefing:

### ***Responsible Gold Sourcing – Industry efforts for gold supply chain due diligence and chain-of-custody.***

*Supported by JCK Las Vegas*

*This session features a panel of experts from mine to retail that will share progress and experiences on initiatives to address gold sourcing in the jewellery supply chain.*

*Issues covered will include:*

- 1. Why responsible sourcing is expected.*
- 2. RJC standards and certification programs.*
- 3. Synergy between industry initiatives.*
- 4. Implementation experiences.*

*In addition to short presentations, time will be available for questions and discussion.*
