### RJC CERTIFIES JAIPUR-BASED GOSIL EXPORTS (PVT) LTD

LONDON - RJC announced today that Gosil Exports (Pvt) Ltd has achieved Certification against the new 2013 Code of Practices (COP) at its jewellery manufacturing facility in Jaipur, India. The new 2013 COP was released in November 2013.

“It is a pleasure to announce Gosil Exports (Pvt) Ltd has been certified against the 2013 COP. The new provisions under the 2013 COP address important issues for our Members and their supply chain. We are thrilled to see Members achieving these Certifications against the standard and warmly congratulate Gosil Exports(Pvt) Ltd,” says Catherine Sproule, RJC’s Chief Operations Officer.

The successful verification assessment was led by Krupa Pednekar Kodialbail at Intertek India Private Limited, one of the independent third-party auditing firms accredited by the RJC.

“It is an honour to become an RJC certified company. This enables us to give assurance to our customers about our business which is being operated in accordance with the prevailing Principles and Code of Practices on business ethics, social, human rights and environmental subjects. With the audit process of Certification it permitted us to identify gaps and issues, potential internal and external risk and it automatically initiated actions to improve the overall environment of the company. It also helped us in joining a list of Industry wide recognised business houses who hold RJC Certification status,” said Nirmal Pareek, Head of Marketing ( Mobile No .91-9460190326) at Gosil Exports (Pvt) Ltd.

#### About RJC

The Responsible Jewellery Council is an international not-for-profit standards and certification organisation. It has more than 500 Member companies that span the jewellery supply chain from mine to retail. RJC Members commit to and are independently audited against the RJC Code of Practices – an international standard on responsible business practices for diamonds, gold and platinum group metals. The Code of Practices addresses human rights, labour rights, environmental impact, mining practices, product disclosure and many more important topics in the jewellery supply chain. RJC also works with multi-stakeholder initiatives on responsible sourcing and supply chain due diligence. The RJC’s Chain-of-Custody Certification for precious metals supports these initiatives and can be used as a tool to deliver broader Member and stakeholder benefit.

The RJC is a [Full Member of the ISEAL Alliance](#) – the global association for sustainability standards. For more information on RJC Members, Certification, and Standards please visit [www.responsiblejewellery.com](http://www.responsiblejewellery.com)
