### RESPONSIBLE JEWELLERY COUNCIL CERTIFIES STILNOVO SRL

LONDON - The Responsible Jewellery Council (RJC) announced today that STILNOVO srl, the Italy - based jewellery manufacturer, has achieved certification by meeting the highest ethical, social and environmental standards established by the RJC's Member Certification system.

"RJC warmly congratulates STILNOVO srl on its certification. The successful verification assessment was conducted by Paolo Andriollo from Bureau Veritas, one of the independent third-party auditing firms accredited to the RJC's Member Certification system," says Michael Rae, RJC's Chief Executive Officer.

"We are really glad about this certification. It represents for us the confirmation of our particular way of working. Since we were a very small organisation, we have always looked at our factory as the place where professionalism, responsibility and sustainability were the illuminating guidelines for everyone's path. The RJC certification is, in this sense, the confirmation of the goodness and the beauty of this unique concept of working," says Maria Grazia Malagoli, Stilnovo administrator.
