RESPONSIBLE JEWELLERY COUNCIL CERTIFIES M/S INTERJEWEL DESIGNS

LONDON - The Responsible Jewellery Council (RJC) announced today that M/S Interjewel Designs, the Mumbai - based jewellery manufacturer, has achieved certification by meeting the highest ethical, social and environmental standards established by the RJC's Member Certification system.

"RJC warmly congratulates M/S Interjewel Designs on its certification. The successful verification assessment was conducted by Ankur Modawal from SGS, one of the independent third-party auditing firms accredited to the RJC's Member Certification system," says Michael Rae, RJC's Chief Executive Officer.

"At Interjewel Designs, we pay homage to the world's most alluring stone every day. Our business runs on trust which is our strength and a part of our heritage. These credentials have made us one of the most sought after diamond companies in the world. The RJC Certification is one more successful step for our business in this endeavour to meet the highest ethical, human rights, social and environmental standards established by the RJC Member Certification System. The certification is our promise to the industry and our clients that we will always adhere to the highest standards in our business at every level," says Ritesh Kothari, Partner, Interjewel Designs.

About RJC

The Responsible Jewellery Council is an international not-for-profit organisation bringing together more than 415 member companies. RJC and its Members are committed to promoting responsible ethical, human rights, social and environmental practices in a transparent and accountable manner throughout the jewellery industry from mine to retail. This commitment aims to reinforce consumer and stakeholder confidence in diamond, gold and platinum metals jewellery products. The RJC has developed the RJC Member Certification system which applies to all Members' businesses that contribute to the diamond, gold and platinum metals jewellery supply chain. All Certified Members of the RJC are audited by accredited, third party auditors to verify their conformance with the RJC's Code of Practices. A voluntary Chain-of-Custody Standard has also been developed for gold and platinum group metals. The RJC is a [Full Member of the ISEAL Alliance](#) – the global association for sustainability standards.
