RESPONSIBLE JEWELLERY COUNCIL CERTIFIES YERUDIAM LTD

LONDON - The Responsible Jewellery Council (RJC) announced today that Yerudiam Ltd, the New York-based jewellery manufacturer and wholesaler, has achieved certification by meeting the highest ethical, social and environmental standards established by the RJC's Member Certification system.

"RJC warmly congratulates Yerudiam Ltd on its certification. The successful verification assessment was conducted by UL Responsible Sourcing, one of the independent third-party auditing firms accredited to the RJC's Member Certification system," says Michael Rae, RJC's Chief Executive Officer.

"We are proud and delighted to know that the high ethical values we have always believed in, were recognized today by the achievement of the RJC Certification," says Moshe Yerushalmi, CEO of Yerudiam LTD.

About RJC

The Responsible Jewellery Council is an international not-for-profit organisation bringing together more than 370 member companies committed to promoting responsible ethical, human rights, social and environmental practices in a transparent and accountable manner throughout the jewellery industry from mine to retail. Their commitment aims to reinforce consumer and stakeholder confidence in diamond, gold and platinum group metals jewellery products. The Council has developed the RJC Member Certification System, a certification system, which will apply to all Members' businesses that contribute to the diamond, gold and platinum group metals jewellery supply chain. All Commercial Members of the RJC are required to be audited by accredited, third-party auditors to verify their conformance with the RJC's Code of Practices and become certified under the RJC Member Certification System. A full list of its Members can be found on the web at www.responsiblejewellery.com

About Yerudiam Ltd

Yerudiam has been in business for over three generations, producing and distributing high-quality diamonds on a wholesale basis, all over the world. As a diamond manufacturing company, we provide consistency and reliability in the supply of our product. Our company's goal is to grow and our philosophy is simple - we are big enough to compete, yet small enough to provide our customers with the personal attention they deserve.
