SHRENUJ NV CERTIFIED BY THE RESPONSIBLE JEWELLERY COUNCIL

LONDON – The Responsible Jewellery Council (RJC) today announced that Shrenuj NV, the Belgium arm of the Mumbai-based diamond cutting and polishing manufacturer, has achieved certification meeting the ethical, human rights, social and environmental standards as established by the RJC's Member Certification System.

"RJC is delighted to congratulate Shrenuj NV on its certification. The successful verification assessment of Shrenuj NV was conducted by Peter Warbrick from SGS, one of the independent third-party auditing firms accredited to the RJC's Member Certification System," says Michael Rae, RJC's Chief Executive Officer.

"We understand that our diamonds and jewellery are inspirational products. We pursue ethical and responsible practices in all aspects of our sourcing and production operations, to sustain consumer confidence. This certification is yet another reflection of our group's 106 years of commitment to the highest ethical standards underpinned by the values of the Shrenuj Group. We are pleased with this recognition by RJC and feel motivated to strive harder towards setting higher benchmarks in the diamond industry," says Apoorva Doshi, Managing Director, Shrenuj NV.

About RJC

The Responsible Jewellery Council is an international not-for-profit organisation bringing together more than 340 member companies committed to promoting responsible ethical, human rights, social and environmental practices in a transparent and accountable manner throughout the jewellery industry from mine to retail. Their commitment aims to reinforce consumer and stakeholder confidence in diamond, gold and platinum group metals jewellery products. The Council has developed the RJC Member Certification System, a certification system, which will apply to all Members' businesses that contribute to the diamond, gold and platinum group metals jewellery supply chain. All Commercial Members of the RJC are required to be audited by accredited, third-party auditors to verify their conformance with the RJC's Code of Practices and become certified under the RJC Member Certification System.
