### SUNNEX BVBA CERTIFIED BY THE RESPONSIBLE JEWELLERY COUNCIL

LONDON - The Responsible Jewellery Council (RJC) announced today that Sunnex BVBA, the Antwerp-based diamond cutting and polishing manufacturer, has achieved certification meeting the ethical, human rights, social and environmental standards as established by the RJC's Member Certification System.

"RJC is very pleased to congratulate Sunnex BVBA on its certification. The successful verification assessment was conducted by Stefaan Beirens from WF&Co, one of the independent third-party auditing firms accredited to the RJC's Member Certification System," says Michael Rae, RJC's Chief Executive Officer.

"We are extremely proud to be a member of Responsible Jewellery Council. The business of Sunnex BVBA is based on sound moral principles. The company believes in healthy working environment with high standard of code of practices. Sunnex BVBA believes in generating consumer confidence by ensuring and committing to the highest industries ethics," says Kaushal Shah, Managing Director of Sunnex BVBA.

#### About RJC

The Responsible Jewellery Council is an international not-for-profit organisation bringing together more than 350 member companies committed to promoting responsible ethical, human rights, social and environmental practices in a transparent and accountable manner throughout the jewellery industry from mine to retail. Their commitment aims to reinforce consumer and stakeholder confidence in diamond, gold and platinum group metals jewellery products. The Council has developed the RJC Member Certification System, a certification system, which will apply to all Members' businesses that contribute to the diamond, gold and platinum group metals jewellery supply chain. All Commercial Members of the RJC are required to be audited by accredited, third-party auditors to verify their conformance with the RJC's Code of Practices and become certified under the RJC Member Certification System.
