### RJC CERTIFIES ANAYA GEMS INCORPORATED DBA OTC INTERNATIONAL AND DIALUCK CORPORATION

LONDON - RJC announced today that Anaya Gems Incorporated DBA OTC International and Dialuck Corporation has achieved Certification against the 2013 Code of Practices (COP) at its wholesale facility in New York, USA.

“It is a pleasure to announce Anaya Gems Incorporated DBA OTC International and Dialuck Corporation has been certified against the 2013 COP. The provisions under the 2013 COP address important issues for our Members and their supply chain. We are delighted to see Members achieving Certification against the standard and warmly congratulate Anaya Gems Incorporated DBA OTC International and Dialuck Corporation,” says Andrew Bone, RJC’s Executive Director.

The successful verification assessment was led by UL Responsible Sourcing, one of the independent third-party auditing firms accredited by the RJC.

“Anaya Gems Incorporated, d/b/a OTC International and Dialuck Corporation, is extremely pleased to have achieved recent RJC Certification. The successful completion of the certification process further confirmed Anaya’s commitment to responsible and ethical business practices. Quality products, excellent customer service, attention to details and fair business practices are all part of our operating philosophy, core beliefs and value systems,” says Anshul Gandhi, CEO of Anaya Gems Incorporated.

#### About RJC

The Responsible Jewellery Council is an international not-for-profit standards and certification organisation. It has more than 800 Member companies that span the jewellery supply chain from mine to retail. RJC Members commit to and are independently audited against the RJC Code of Practices – an international standard on responsible business practices for diamonds, gold and platinum group metals. The Code of Practices addresses human rights, labour rights, environmental impact, mining practices, product disclosure and many more important topics in the jewellery supply chain. RJC also works with multi-stakeholder initiatives on responsible sourcing and supply chain due diligence. The RJC’s Chain-of-Custody Certification for precious metals supports these initiatives and can be used as a tool to deliver broader Member and stakeholder benefit.

The RJC is a [Full Member of the ISEAL Alliance](#) – the global association for sustainability standards. For more information on RJC Members, Certification, and Standards please visit [www.responsiblejewellery.com](http://www.responsiblejewellery.com)
