### RJC CERTIFIES BMC SRL.

LONDON - RJC announced today that BMC Srl. has achieved Certification against the new 2013 Code of Practices (COP) at its Jewellery production facility in Alessandria, Italy. The new 2013 COP was released in November 2013.

“It is a pleasure to announce BMC Srl. has been certified against the 2013 COP. The new provisions under the 2013 COP address important issues for our Members and their supply chain. We are thrilled to see Members achieving these early Certifications against the new standard and warmly congratulate BMC Srl.” says Ashish Deo, RJC’s Chief Executive Officer.

The successful verification assessment was led by Simone Olmo from Bureau Veritas Italia, one of the independent third-party auditing firms accredited by the RJC.

“We believe that working in an accountable and transparent way could demonstrate seriousness, competency and quality, and represent a guaranty for the customers and a security for the B.M.C. Company itself.” Carlo Massavelli, BMC Srl.
