### RJC CERTIFIES MANUFACTURE ROGER DUBUIS

LONDON - RJC announced today that Manufacture Roger Dubuis, the Swiss watch manufacturer, has achieved Certification by meeting the highest ethical, social and environmental standards established by the RJC.

"RJC warmly congratulates Manufacture Roger Dubuis on its Certification," says Ashish Deo, RJC's Chief Executive Officer.

The successful verification assessment was conducted by Michel Mooser from SGS, one of the independent third-party auditing firms accredited by the RJC

"We are delighted to have achieved RJC Certification and we are proud that Roger Dubuis has joined the league of brands which places Corporate Social Responsibility at the forefront of its prime brand focus. Being responsible and socially sensitive requires attention and an adequate commitment from each and every member of Roger Dubuis. Taking care of the communities around which we operate as well as acting with an acute sense of responsibility towards our environment, Roger Dubuis seeks to align its standards of integrity and honesty of its employees, at its Headquarters in Switzerland, in our subsidiaries and finally with our suppliers. The RJC Certification represents an important milestones for our company, contributes to enrich our brand reputation within our industry and justifies a sense of pride among all the Roger Dubuis team members," says Jean-Marc Pontroué, CEO, Roger Dubuis.

#### About RJC

The Responsible Jewellery Council is an international not-for-profit standards and certification organisation. It has more than 500 Member companies that span the jewellery supply chain from mine to retail. RJC Members commit to and are independently audited against the RJC Code of Practices – an international standard on responsible business practices for diamonds, gold and platinum group metals. The Code of Practices addresses human rights, labour rights, environmental impact, mining practices, product disclosure and many more important topics in the jewellery supply chain. RJC also works with multi-stakeholder initiatives on responsible sourcing and supply chain due diligence. The RJC's Chain-of-Custody Certification for precious metals supports these initiatives and can be used as a tool to deliver broader Member and stakeholder benefit.

The RJC is a [Full Member of the ISEAL Alliance](#) – the global association for sustainability standards. For more information on RJC Members, Certification, and Standards please visit [www.responsiblejewellery.com](http://www.responsiblejewellery.com)
