| J                                | The member has demonstrated a conformance level consistent with a 3 year certification period.                                                                                                                              |
|                                  | The member has demonstrated a conformance level consistent with the transitional 1 year certification period for 1 year.                                                                                                    |
|                                  | The member is not eligible for RJC certification due to having four consecutive 1 year certification outcomes.                                                                                                              |
|                                  | Critical breaches have been identified and the RJC management team should initiate disciplinary procedures.                                                                                                                 |
| Mid-term review                  | Based on the scope and findings of the certification audit/re-certification audit, the sites visited and the available information provided by the member:                                                                  |
|                                  | A. The member will not require a mid-term review because:                                                                                                                                                                   |
|                                  | No anticipated changes to the certification scope during the certification period.                                                                                                                                          |
|                                  | Member has < 25 full time equivalent personnel.                                                                                                                                                                             |
|                                  | Low risks of changes to current conformance levels and strong management controls.                                                                                                                                          |
|                                  | B. The member will require a desktop mid-term review during the 3 year certification period to review progress on corrective action against non-conformances within 12-24 months, but a site visit is not required because: |
|                                  | The actions can be verified remotely; or                                                                                                                                                                                    |
|                                  | No risk to critical provisions; or                                                                                                                                                                                          |
|                                  | There are parallel audit programs for equivalent recognised schemes (e.g. De Beers BPP, SA8000, OHSAS18001, ISO14001)                                                                                                       |

|                                     | C. The member will require a mid-term review during the 3 year certification period that will include the need for site visits because:                                                                                                                |
|-------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                                     | Known and anticipated changes to certification scope during the certification period                                                                                                                                                                   |
|                                     | Certification audit identified >2 minor NCs for critical provisions; or > 4 minor NCs in total                                                                                                                                                         |
|                                     | New systems and controls for critical provisions that could not be tested at the certification audit                                                                                                                                                   |
|                                     | Facilities with risk of non-conformances against critical provisions                                                                                                                                                                                   |
|                                     | Other compelling reason presented by the lead auditor.                                                                                                                                                                                                 |
| Confirmation                        | The auditors confirm that:                                                                                                                                                                                                                             |
|                                     | The information provided by the member is true and accurate to the best knowledge of the auditor(s) preparing this report.                                                                                                                             |
|                                     | The findings are based on verified objective evidence relevant to the time period for the assessment, traceable and unambiguous.                                                                                                                       |
|                                     | The scope of the assessment and the method used are sufficient to establish confidence that the findings are indicative of the performance of the member's defined certification scope.                                                                |
|                                     | The auditor(s) have acted in a manner deemed ethical, truthful, accurate professional, independent and objective.                                                                                                                                      |
| Auditor signature                   | On file                                                                                                                                                                                                                                                |
