## Certification Recommendation Statement

Based on the scope and findings of the Verification Assessment, the working conditions in sites visited and the available information provided by the Member: The Auditor recommends that the RJC Management Team grants RJC Certification to the Member, valid for 1 year under the condition that the action plan specifies reasonable corrective action deadlines and a dedicated person responsible for the follow-up.

The Auditor confirms that:

- The information provided by the Member is true and accurate to the best knowledge of the Auditor preparing this report.
- The findings are based on verified Objective Evidence relevant to the time period for the assessment, traceable and unambiguous.
- The scope of the assessment and the method used are sufficient to establish confidence that the findings are indicative of the performance of the Member's defined Certification Scope.
- The Auditor has acted in a manner deemed ethical, truthful, accurate professional, independent and objective.
