RESPONSIBLE JEWELLERY COUNCIL CERTIFIES ELEGANT COLLECTION

LONDON - The Responsible Jewellery Council (RJC) announced today that Elegant Collection, the Mumbai based Jewellery manufacturer, has achieved certification by meeting the highest ethical, social and environmental standards established by the RJC's Member Certification system.

"RJC warmly congratulates Elegant Collection on its certification. The successful verification assessment was conducted by Manish C. Doshi from SGS, one of the independent third-party auditing firms accredited to the RJC's Member Certification system," says Michael Rae, RJC's Chief Executive Officer.

"Elegant Collection has always enshrined amongst its core values, the highest standards of ethical, human rights and environment standards and we therefore are especially proud to be certified by the RJC. Today's global jewellery industry is faced continually by new challenges regarding the sourcing of materials, human rights and the environment. We believe that the future of our industry depends on consumer confidence. The commitment to best practices and standards and the transparency that is required for the RJC Certification provide us and our fellow members with the recognition and assurance that we can work together for the future benefit of the industry as a whole," says Satish Joshi, President of Elegant Collection.
