### RJC CERTIFIES HONG KONG JEWELLERY MANUFACTURER, P.D. & P. GROUP

LONDON - RJC announced today that P.D. & P. Group has achieved Certification against the 2013 Code of Practices (COP) at its facilities in Hong Kong, China and Thailand.

“It is a pleasure to announce P.D. & P. Group has been certified against the 2013 COP. The new provisions under the 2013 COP address important issues for our Members and their supply chain. We are delighted to see Members achieving Certification against the standard and warmly congratulate P.D. & P. Group,” says Andrew Bone, RJC’s Executive Director.

The successful verification assessment was led by UL Responsible Sourcing, one of the independent third-party auditing firms accredited by the RJC.

“P. D. & P. Group is proud to have achieved RJC Certification. This accomplishment confirms our company’s commitment to responsible and ethical business practices as well as the highest compliance standards. It is our core value to enrich local economies and to produce high-quality products and services to customers,” says Iris Lam, General Manager of P.D. & P. Group.

#### About RJC

The Responsible Jewellery Council is an international not-for-profit standards and certification organisation. It has more than 700 Member companies that span the jewellery supply chain from mine to retail. RJC Members commit to and are independently audited against the RJC Code of Practices – an international standard on responsible business practices for diamonds, gold and platinum group metals. The Code of Practices addresses human rights, labour rights, environmental impact, mining practices, product disclosure and many more important topics in the jewellery supply chain. RJC also works with multi-stakeholder initiatives on responsible sourcing and supply chain due diligence. The RJC’s Chain-of-Custody Certification for precious metals supports these initiatives and can be used as a tool to deliver broader Member and stakeholder benefit.

The RJC is a [Full Member of the ISEAL Alliance](#) – the global association for sustainability standards. For more information on RJC Members, Certification, and Standards please visit [www.responsiblejewellery.com](http://www.responsiblejewellery.com)
