### RESPONSIBLE JEWELLERY COUNCIL CERTIFIES DHRUV STAR DMCC

LONDON - The Responsible Jewellery Council (RJC) announced today that Dhruv Star DMCC, the Dubai - based diamond trader, has achieved certification by meeting the highest ethical, social and environmental standards established by the RJC's Member Certification system.

"RJC warmly congratulates Dhruv Star DMCC on its certification. The successful verification assessment was conducted by John Thomas from SGS, one of the independent third-party auditing firms accredited to the RJC's Member Certification system," says Michael Rae, RJC's Chief Executive Officer.

"Dhruv Star DMCC is proud to be certified for RJC. Since three of our group associates are already certified, it was imperative that we demonstrate a similar level of commitment to the standards. We hope to be model to the industry in achieving benchmark standards in the years to come," said Amish Mehta, Director of M/S. Dhruv Star DMCC.

#### About RJC

The Responsible Jewellery Council is an international not-for-profit organisation bringing together more than 420 member companies. RJC and its Members are committed to promoting responsible ethical, human rights, social and environmental practices in a transparent and accountable manner throughout the jewellery industry from mine to retail. This commitment aims to reinforce consumer and stakeholder confidence in diamond, gold and platinum metals jewellery products. The RJC has developed the RJC Member Certification system which applies to all Members' businesses that contribute to the diamond, gold and platinum metals jewellery supply chain. All Certified Members of the RJC are audited by accredited, third party auditors to verify their conformance with the RJC's Code of Practices. A voluntary Chain-of-Custody Standard has also been developed for gold and platinum group metals. The RJC is a [Full Member of the ISEAL Alliance](#) – the global association for sustainability standards.
