RJC CERTIFIES GOLDSTAR JEWELLERY LLC

LONDON - RJC announced today that Goldstar Jewellery LLC has achieved Certification against the 2013 Code of Practices (COP) at its wholesaler facility in New York, USA.

“It is a pleasure to announce Goldstar Jewellery LLC has been certified against the 2013 COP. The new provisions under the 2013 COP address important issues for our members and their supply chain. We are delighted to see members achieving certification against the standard and warmly congratulate Goldstar Jewellery LLC,” says Andrew Bone, RJC’s Executive Director.

The successful verification assessment was led by Heather Louie from SCS Global Services, one of the independent third-party auditing firms accredited by the RJC.

“Goldstar Jewellery LLC is proud and honored to have achieved RJC certification. It is an acknowledgement of our commitment to the highest corporate, social, ethical and environmental standards in the jewelry industry”, says Michael Lerche, President and COO of Goldstar Jewellery LLC.

About RJC

The Responsible Jewellery Council is an international not-for-profit standards and certification organisation. It has more than 900 Member companies that span the jewellery supply chain from mine to retail. RJC Members commit to and are independently audited against the RJC Code of Practices – an international standard on responsible business practices for diamonds, gold and platinum group metals. The Code of Practices addresses human rights, labour rights, environmental impact, mining practices, product disclosure and many more important topics in the jewellery supply chain. RJC also works with multi-stakeholder initiatives on responsible sourcing and supply chain due diligence. The RJC’s Chain-of-Custody Certification for precious metals supports these initiatives and can be used as a tool to deliver broader Member and stakeholder benefit.

The RJC is a [Full Member of the ISEAL Alliance](#) – the global association for sustainability standards. For more information on RJC Members, Certification, and Standards please visit www.responsiblejewellery.com
