### *Provenance claims*

To the best of our knowledge, implemented policies/procedures and/or written assurance from our suppliers, Aspire Designs Limited states that the diamonds have not been obtained in violation and / or sanctions by the US departments of Treasury's office of foreign assets control (OFAC) and have not been originated from the MBADA and Marange resources of Zimbabwe. To the best of our knowledge and/or written assurance from our suppliers, we state that diamonds are exclusively of natural origin and untreated and are not sourced from artisanal mines. Aspire Designs Limited, has a synthetic diamond testing technology and all the diamonds are checked in the testing machines for the surety of natural diamonds. The diamonds comply with the requirements of the WFDB charter on disclosure of synthetic, treated natural and natural diamonds.

### *Auditor statement of conformance*

Based on the scope and findings of the audit, the sites visited and the available information provided by the member:

- The member has demonstrated a conformance level consistent with a 3 year certification period
- The member has demonstrated a conformance level consistent with the transitional 1 year certification period, as one or more major non-conformances have been found

## Mid-term review

Based on the scope and findings of the certification audit, the sites visited and the available information provided by the member:

**A. The member will not require a mid-term review during the three-year certification because:**

- No anticipated changes to the certification scope during the certification period
- Member has less than 25 full-time equivalent personnel
- Low risks of changes to current conformance levels and strong management controls
- During the certification period there are:
  - There are parallel audit programmes for equivalent schemes (e.g. SA8000, OHSAS 18001, ISO14001, ISO 45001) recognised by RJC
  - Rigorous internal audit programs
  - Strong internal controls for the management, closure and effective review of corrective actions for non-conformances

**B. The member will require a desktop mid-term review during the three-year certification because:**

- Any changes to the certification scope does not affect risk of changes to current conformance levels.
- The certification audit identified two or less minor non-conformances for critical provisions; or four or less minor non-conformances in total (that are not covered by a parallel audit programme recognised by the RJC) for any non-mining sector member, or an individual member is in the mining sector.
- The actions can be verified remotely.
- No risk to critical provisions.

- C. The member will require a site visit mid-term review during the three-year certification because:**
- Known and anticipated changes to certification scope during the certification period
- Member no longer supports the recognised external standards and initiatives in Table 2
- Certification audit identified three or more minor non-conformances for critical provisions, or five or more minor non-conformances (that are not covered by a parallel audit programme recognised by the RJC for any non-mining sector member or individual mining facility if the member is in the mining sector)
- New systems and controls for critical provisions that could not be tested at the certification audit
- Facilities with risk of non-conformances against critical provisions
- Other compelling reason presented by the lead auditor

### *Confirmation*

#### **The auditors confirm that:**

- The information provided by the member is true and accurate to the best knowledge of the auditor(s) preparing this report.
- The findings are based on verified objective evidence relevant to the time period for the assessment, traceable and unambiguous.
- The scope of the assessment and the method used are sufficient to establish confidence that the findings are indicative of the performance of the member's defined certification scope.
- The auditor(s) have acted in a manner deemed ethical, truthful, accurate professional, independent and objective.
