Provenance claims

To the best of our knowledge, implemented policies/procedures and written assurance from our suppliers, we state that diamonds herein invoiced have not originated from the MBADA and Marange resource of Zimbabwe and do not source from Democratic Republic of Congo. The diamonds are sourced in compliance with WFDB charter on disclosure of synthetics, treated natural and natural diamonds. The diamonds herein invoiced are neither recycled nor sourced from artisanally mined and it is exclusive of natural origin, synthetic free, earth mined, formed and grown under natural and geological processes. The seller warrants that these diamonds have been supplied in compliance with the Signet Responsible Sourcing Protocol ("SRSP").

Auditor statement of conformance

Based on the scope and findings of the audit, the sites visited and the available information provided by the member:

- ☒ The member has demonstrated a conformance level consistent with a 3 year certification period.
- ☐ The member has demonstrated a conformance level consistent with the transitional 1 year certification period for 1 year.
- ☐ The member is not eligible for RJC certification due to having four consecutive 1 year certification outcomes.
- ☐ Critical breaches have been identified and the RJC management team should initiate disciplinary procedures.

Mid-term review

Based on the scope and findings of the certification audit/re-certification audit, the sites visited and the available information provided by the member:

- ☒ **A. The member will not require a mid-term review because:**
- ☒ No anticipated changes to the certification scope during the certification period.
- ☐ Member has < 25 full time equivalent personnel.
- ☐ Low risks of changes to current conformance levels and strong management controls.

- ☐ **B. The member will require a desktop mid-term review during the 3 year certification period to review progress on corrective action against non-conformances within 12-24 months, but a site visit is not required because:**
- ☐ The actions can be verified remotely; or
 - ☐ No risk to critical provisions; or
 - ☐ There are parallel audit programs for equivalent recognised schemes (e.g. De Beers BPP, SA8000, OHSAS18001, ISO14001)

- ☐ **C. The member will require a mid-term review during the 3 year certification period that will include the need for site visits because:**
- ☐ Known and anticipated changes to certification scope during the certification period
 - ☐ Certification audit identified >2 minor NCs for critical provisions; or > 4 minor NCs in total
 - ☐ New systems and controls for critical provisions that could not be tested at the certification audit
 - ☐ Facilities with risk of non-conformances against critical provisions
 - ☐ Other compelling reason presented by the lead auditor.

Confirmation

The auditors confirm that:

- ☒ The information provided by the member is true and accurate to the best knowledge of the auditor(s) preparing this report.
- ☒ The findings are based on verified objective evidence relevant to the time period for the assessment, traceable and unambiguous.
- ☒ The scope of the assessment and the method used are sufficient to establish confidence that the findings are indicative of the performance of the member's defined certification scope.
- ☒ The auditor(s) have acted in a manner deemed ethical, truthful, accurate professional, independent and objective.
