### RESPONSIBLE JEWELLERY COUNCIL CERTIFIES JSN JEWELLERY UK LTD

LONDON - The Responsible Jewellery Council (RJC) announced today that JSN Jewellery UK Ltd, the London - based jewellery manufacturer, has achieved certification by meeting the highest ethical, social and environmental standards established by the RJC's Member Certification system.

"RJC warmly congratulates JSN Jewellery UK Ltd on its certification. The successful verification assessment was conducted by Roshini Wickramasinghe from SGS, one of the independent third-party auditing firms accredited to the RJC's Member Certification system," says Michael Rae, RJC's Chief Executive Officer.

"It is with complete pride that we announce our three year RJC certification to our customers. The RJC is a world recognized organization setting the standard for responsible business practices, which allows companies like us and the other members to stand out in our industry. The RJC certification acknowledges the standards we have achieved. We look forward to many years of working with the RJC, its strong values and its leadership role in our industry. We pledge a commitment to be socially responsible to our worldwide customers," says Steve Reale, Senior Vice President of JSN Jewellery UK Ltd.

#### About RJC

The Responsible Jewellery Council is an international not-for-profit organisation bringing together more than 415 member companies. RJC and its Members are committed to promoting responsible ethical, human rights, social and environmental practices in a transparent and accountable manner throughout the jewellery industry from mine to retail. This commitment aims to reinforce consumer and stakeholder confidence in diamond, gold and platinum metals jewellery products. The RJC has developed the RJC Member Certification system which applies to all Members' businesses that contribute to the diamond, gold and platinum metals jewellery supply chain. All Certified Members of the RJC are audited by accredited, third party auditors to verify their conformance with the RJC's Code of Practices. A voluntary Chain-of-Custody Standard has also been developed for gold and platinum group metals. The RJC is a [Full Member of the ISEAL Alliance](#) – the global association for sustainability standards.
