RESPONSIBLE JEWELLERY COUNCIL CERTIFIES LIZA DIMON BVBA

LONDON - The Responsible Jewellery Council (RJC) announced today that Liza Dimon BVBA, the Antwerp-based diamond trader, has achieved certification by meeting the highest ethical, social and environmental standards established by the RJC's Member Certification system.

"RJC warmly congratulates Liza Dimon BVBA on its certification. The successful verification assessment was conducted by Ann Van Vlaenderen from WF & Co., one of the independent third-party auditing firms accredited to the RJC's Member Certification system," says Michael Rae, RJC's Chief Executive Officer.

"Coming from a spiritual background, diamonds weren't just a way to earn, but a way to create a soothing atmosphere of universal brotherhood. As we started off in 1992, with the blessings of my Guru, Father, and well-wishers, slowly and steadily we reached a remarkable position which we are proud to behold. The certification of RJC confirms our values of business ethics, social welfare and strong relations. At the end, it's all about adding a little more light in your life", says Shekhar Shah, CEO of Liza Dimon BVBA.
