### DIMEXON DIAMONDS LIMITED – RE-CERTIFIED BY THE RESPONSIBLE JEWELLERY COUNCIL

LONDON - The Responsible Jewellery Council (RJC) announced today that Dimexon Diamonds Limited, the well-known diamond manufacturer, has achieved re-certification by meeting the highest ethical, social and environmental standards established by the RJC's Member Certification System.

"RJC congratulates Dimexon Diamonds Limited on achieving re-certification. After a Member has become RJC Certified for the first time, independent verification is required at the end of each certification period to ensure continued conformance and to maintain Certified Member status. The successful verification assessment was conducted by Roshini Wickramasinghe from SGS, one of the independent third-party auditing firms accredited to the RJC's Member Certification system," says Michael Rae, RJC's Chief Executive Officer.

"Dimexon is pleased to have achieved the RJC Member Certification for a three year period, having successfully completed its comprehensive evaluation and audit standards. The RJC certification is highly acknowledged and offers assurances concerning the integrity, transparency and accountability of all stakeholders in the Diamond Jewellery pipeline," says Rajiv Mehta, Director of Dimexon Diamonds Limited.

#### About RJC

The Responsible Jewellery Council is an international not-for-profit organisation bringing together more than 415 members. RJC and its Members are committed to promoting responsible ethical, human rights, social and environmental practices in a transparent and accountable manner throughout the jewellery industry from mine to retail. This commitment aims to reinforce consumer and stakeholder confidence in diamond, gold and platinum metals jewellery products. The RJC has developed the RJC Member Certification system which applies to all Members' businesses that contribute to the diamond, gold and platinum metals jewellery supply chain. All Certified Members of the RJC are audited by accredited, third party auditors to verify their conformance with the RJC's Code of Practices. A voluntary Chain-of-Custody Standard has also been developed for gold and platinum group metals. The RJC is a [Full Member of the ISEAL Alliance](#) – the global association for sustainability standards.
