

TARGET SRL joined the RJC in 2021 within the precious metals trader, refiner and/or hedger forum. This is their first certification, based on an audit conducted during 6th of May 2022. The below summary of audit findings complements the Member's current RJC certificate **No 0000 4267**.

Audit objective, activities, and methodology

The objective of the audit was to review the member's systems and processes to establish whether they conform to the RJC Code of Practices (COP) 2019. The audit activities included planning, conducting the audit and reporting on conformance, including corrective actions approval, as per the RJC Assessment Manual. The audit consisted of collecting / sampling and reviewing objective evidence including documentation, management and employee interviews, facility walk-through, and other observations, in relation to at least the previous 12 months.

The auditors confirm that:

- The information provided by the member is true and accurate to the best knowledge of the auditor(s) preparing the report.
- The findings are based on verified objective evidence relevant to the time period for the audit, traceable and unambiguous.
- The audit scope and audit methodology are sufficient to establish confidence that the findings are indicative of the performance of the member's defined certification scope.
- The auditor(s) have acted in a manner deemed ethical, truthful, accurate professional, independent and objective.

Description of Member Company

TARGET SRL is a company located in Italy. They provide comprehensive services for the trade and recovery of precious metals including gold, silver, platinum, palladium, and rhodium. The Member has a modern laboratory for analysing precious metals, as well as a foundry, incineration plant for goldsmith waste, and a refining plant for gold and silver. Additionally, they have the capability to recover rhodium from exhausted solutions.
