### KP SANGHVI HK LIMITED CERTIFIED BY THE RESPONSIBLE JEWELLERY COUNCIL

LONDON – The Responsible Jewellery Council (RJC) today announced that KP Sanghvi HK Limited, the Hong Kong-based diamond cutting and polishing manufacturer, has achieved certification meeting the ethical, human rights, social and environmental standards as established by the RJC's Member Certification System.

"RJC is delighted to congratulate KP Sanghvi HK Limited on its certification. The successful verification assessment of KP Sanghvi HK Limited was conducted by CY Tam from SGS, one of the independent third-party auditing firms accredited to the RJC's Member Certification System," says Michael Rae, RJC's Chief Executive Officer.

"The RJC certification represents yet another milestone in our continued pursuit, from excellence to perfection. Likewise a diamond radiates its brilliance onto everything around it, KP Sanghvi attempts to give something back to the world and our commitment to ethical, social and environmental values is established by this certification. In everything that we do, it is not about what we achieve, but how we achieve it – with intentions that are absolutely clean and pure – even as the purity of the diamonds we create," says Arvind H. Sanghvi, Director of KP Sanghvi.
