AUDITOR STATEMENT OF CONFORMANCE

Based on the scope and findings of the certification audit, the member has demonstrated a conformance level consistent with a:

3 Year Certification

NEXT AUDIT TYPE

MID-TERM REVIEW (within 12-24 months):

A. Mid-term review NOT required due to:

- No anticipated changes to the certification scope during the certification period
- <25 full time equivalent personnel
- Low risk of non-conformances due to management controls
- Existence of parallel audits for schemes recognised by RJC
- Existence of rigorous internal audit programs
- Strong internal controls ensuring effective review and closure of corrective actions for non-conformances

B. Mid-term review (desktop only) required due to:

- No impact on conformance levels from any changes to the certification scope
- 2 or less minor non-conformances with critical provisions or 4 or less minor non-conformances in general identified by the audit (not covered by parallel audits for schemes identified as equivalent to RJC's) for an individual member in the mining sector or a non-mining sector member
- Possibility of remote verification of actions
- No risk to critical provisions

-
- C. Mid-term review (with a site visit) required due to:**
 - Known and anticipated changes to the certification scope during the certification period
 - Member no longer supporting external standards and initiatives recognised by RJC
 - 3 or more minor non-conformances with critical provisions or 5 or more minor non-conformances not covered by parallel audits for schemes identified as equivalent to RJC's for any non-mining sector member or individual mining facility, if the member is in the mining sector
 - New systems and controls for critical provisions that could not be tested at the certification audit
 - Need to test new systems and controls ensuring respect for critical provisions
 - Facilities with risk of non-conformances with critical provisions
 - Other reasons presented by the lead auditor necessitating an onsite verification

ABOUT THIS CERTIFICATION
